Applications must be completed and returned, accompanied by the initial fee and seven (7) copies of the proposed plan twenty (20) days prior to the scheduled Planning Commission meeting date in order to be considered as an agenda item.

Independent review of plan submissions are required, although every effort is made to complete reviews for the next available meeting, plan complexity may require additional review time.

Additional requirements are outlined in West Pike Run Township's Subdivision and Zoning Ordinances and are available from the Township Office.

Costs exceeding the initial application fee will be billed to the Applicant.
